

## PEOPLE & PLACES

Larry and Jan Schaeffer

Larry and Jan took the Grand Canyon passenger train to the canyon. As you step aboard the train, that was part of the era of iron and steel; you go back in time. The clickie-clack of the rails, the sound of the whistle and the conductor's call of "All Aboard!" comes to life. The 2 ½ hour ride takes you to the south rim of the canyon. Coffee and donuts with fruit was served as you travel. A touring bus took us to the best sights to see the vast rock formations and to take some great pictures.

For lunch we went to the famous El Tovar restaurant that overlooks the canyon. We were seated at a table with a great view. The sandwiches were good and Larry ordered French onion soup. It was the best we have ever tasted. We stayed at the Grand Canyon Hotel that was beautiful and presents the nostalgia of the old West.

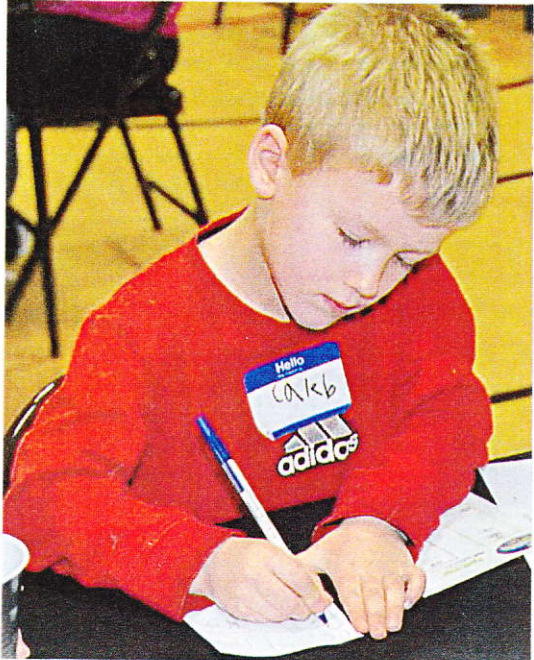

Sedona, Arizona.

We have such an awesome God, who created the whole world and everything in it. In this vast world we take so many things for granted. We don't stop to smell the roses; as the saying goes. There are so many of God's creations we don't acknowledge and praise God for His masterful work around us. The Grand Canyon is one of the seven natural wonders of the world. The canyon is approximately 18 miles across and 8 miles deep of rock formations as far as the eye can see.

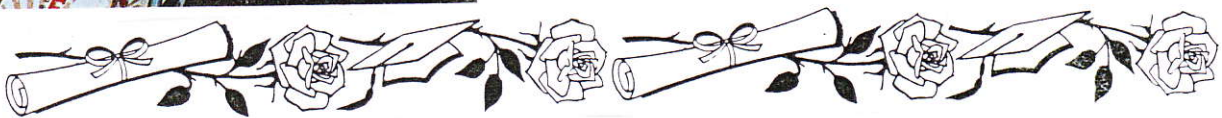

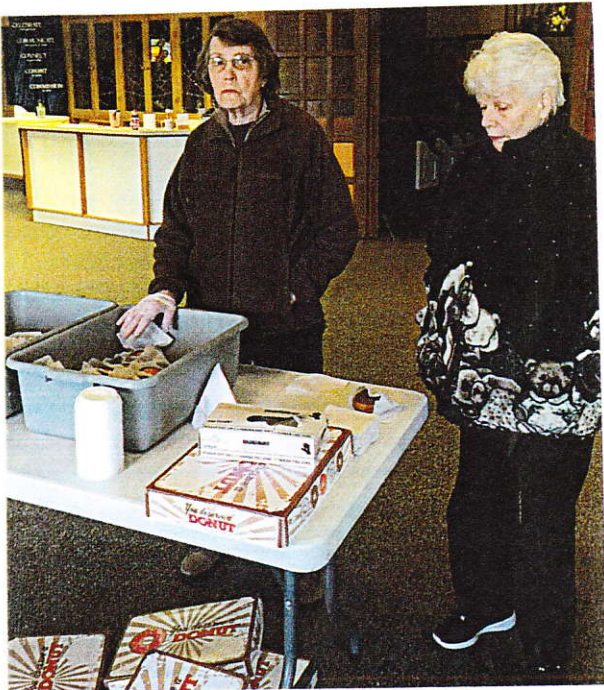

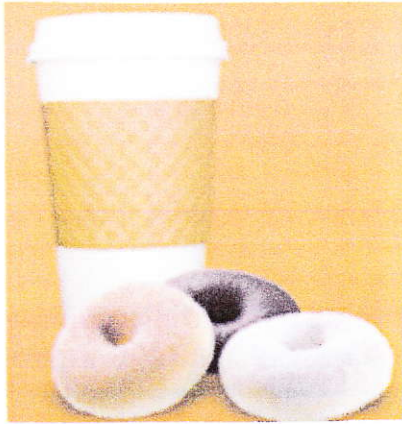

Another place to see God's majestic and beautiful mountains is in Sedona, Arizona. Sedona has huge red sandstone formations that will take your breath away! The height and sizes of these mountains are unbelievable. We had a great time, and reflected on "How Great Thou Art"!

I look to the mountains; where will  
my help come from?  
My help will come from the Lord  
who made Heaven and Earth."  
Psalm 121: 1 & 2
